處理情形:

Dear Mr. Derek Schubert:

As requested in your letter, the Jiading important wetlands should be reclassified as a wetland of national importance or even a wetland of international importance.

We hereby reply as follows:

The procedure of evaluating Jiading temporarily Wetland of Importance border was commissioned by the Kaohsiung City Government to assist. According to Wetland Conservation Act 8, considering wetland's biodiversity, natural elements, representativeness, characteristics, reasonability of planning and landowner's willingness, which is also based on the items Act 8 from I to VIII for evaluating the level of Wetland of Importance afterwards.

In view of the above, we will forward it to the wetlands review task force as references in the review process.

Thank you for your proposal. If you have any questions or concerns, don't hesitate to let us know.

Best regards,
